Commissioner:

Applicant submits this comment in response to the Examiner's Amendment attached to the Notice of Allowance dated September 15, 2005. Paragraph "c" in the Examiner's Amendment states that in claim 1, lines 9 - 12, "context switching; accessing context data . . . ." is replaced with --context switching by accessing context data . . . .--

Applicant notes, however, that claim 1 recites ". . . to perform a context switch; assessing context data . . . ." Accordingly, claim 1 should be amended to read --context switch by accessing context data . . . .--

Respectfully submitted,
